

AUGUST 31,2017.

Dear Paul Walker,

With reference to the letter dated August 24, 2017 , we received it via FEDEX on 28 Aug 2017 . We welcome US department's initiation of anti-circumvention on Carbon-Steel Butt-Weld Pipe Fittings .With regards to the information indicating Southern Steel involving in modifying pipe fittings imported from People's Republic of China (PRC) and then re-exporting them as Malaysia as the Country of Origin, the information may be misrepresented and misleading .

None of the Southern Steel's companies is the pipe fittings company nor re-exports such fittings from People's Republic of China (PRC) to US . Southern Steel's subsidiary , namely Southern Steel Pipe is the ERW pipe manufacturer and has been exporting Fencing Tubes with HS code 73063072 to US.

Hence , we are in the view that this particular case of A-570-814 is not applicable to Southern Steel nor its subsidiary Southern Steel Pipe.

Should you have any further questions , please contact us.

Yours sincerely ,

On behalf of the companies,  
Tan Eng Siong

(Tan Eng Siong)  
General Manager

南達鋼管
